

Futures Program Highlights

The Ramapo Saints Futures program is the ideal program for players aged 4-8 that are transitioning from the Learn to Skate program. This is an entry level program that adheres to USA Hockey's American Development Model (ADM). In this program, your child will begin to develop fundamental movement skills, general athleticism, and begin to learn and acquire basic hockey skills (skating, puck control, passing and receiving, shooting, and goaltending).

This program will allow your child to lay the foundation for future acquisition of more advanced movement abilities and hockey skills. This program, under the guidance of our Mite Coordinator, Joe Lofberg, will also provide a basic understanding of the game, including rules and team concepts.

- 4 Weeks of Spring Practices
- 2 Weeks Summer Clinics
- 2 Nights Weekly Practice Throughout Season (September-March)
- 9 skills sessions scheduled throughout season supervised by Matt Juneau
- All practices will be station based
- Every station will be instructed in a fun manner with enthusiasm and energy
- Will attend the AAHA Mite Jamboree
- Will play a minimum 10 game schedule in the Atlantic Hockey Federation (AHF) - Exact number depends on # of teams within geographical region
